60 Swarm Continues on State Route 60

SAN BERNARDINO – The California Department of Transportation (Caltrans) 60 Swarm projects continue on State Route 60 (SR-60) to repair deteriorated pavement slabs and replace the Pipeline, Monte Vista and Benson Avenue bridges. Weather permitting.

Motorists who are just passing through are advised to use State Route 91 (SR-91) and Interstate 10 (I-10) around the 60 Swarm as alternate routes to avoid delays. Local businesses are open during the project.

The Pavement Rehabilitation Project: Eastbound SR-60 nighttime lane and on/off ramp closures will take place from Valley Way to the 60/91/215 Junction in Riverside. Closures will take place January 13 to January 17 from 9:00 p.m. to 5:00 a.m. daily. Lanes #2, #3 and various shoulder areas will be closed.

Westbound SR-60 nighttime lane and on/off ramp closures will take place from Country Village Road to Euclid Avenue. Closures will take place January 13 to January 17 from 8:00 p.m. to 5:00 a.m. daily. One lane will remain open for through traffic during construction.

A traffic reconfiguration for the Pavement Rehabilitation Project, from Archibald Avenue to Euclid Avenue, will remain in place for approximately six months. All lanes have been shifted to the west side of SR-60 allowing daytime work to take place behind k-rail. Lanes will be available in each direction on SR-60 during the day. Use caution when driving through construction areas.

Bridge Replacement Project: There are no closures scheduled for this week.

A traffic reconfiguration for the Bridge Replacement Project will be in place on SR-60 west of the I-15 occur on SR-60 west of I-15 for the duration of the project. Lanes will be available in each direction on SR-60 during the day. The speed limit will be lowered to 55 miles per hour within the project limits. For up to date information on the 60 Swarm projects call the 60 Swarm hotline at 1-833-607-9276.
