Emergency Work on State Route 2 in Wrightwood

SAN BERNARDINO – The California Department of Transportation (Caltrans) is beginning emergency repairs to a failed culvert and roadbed on State Route 2 (SR 2) in Wrightwood near the Ranger Station between upper and lower Mountain High Ski Resort. The work will require the contractor to close one of two lanes with flagging beginning Tuesday, January 28. The project is expected to be complete by the end of February, weather dependent.

The work hours are Monday through Friday 9:00 a.m. to 4:00 p.m. The traffic delays are expected to be minimal. Plan ahead and have patience if you encounter the project. The contractor will not be able to work during storm events.
