### Update: Date Change for Rock-fall Barrier Installation on State Route 330

SAN BERNARDINO – The California Department of Transportation (Caltrans) will begin a rock fall barrier project on State Route 330 (SR-330) near Running Springs. This project will remove rock debris from the slope, excavate and reduce slope size and install two rock-fall barriers at Postmiles 37 and 39.

Beginning at 6 a.m. on September 9, 2019, a full closure will be in effect until 11:59 p.m. on September 20, 2019. During this closure, crews will perform rock scaling, slope excavations and construct the two rock-fall barriers.

Be advised, weather conditions may affect this operation. Know before you go! To stay on top of roadwork in the Inland Empire go to [Caltrans District 8](#) and sign up for commuter alerts.
