Update 60 Swarm Continues on State Route 60

SAN BERNARDINO – The California Department of Transportation (Caltrans) 60 Swarm projects continue on State Route 60 (SR-60) to repair deteriorated pavement slabs and replace the Pipeline, Monte Vista and Benson Avenue bridges.

The SR-60 Pavement Rehabilitation Project will continue this weekend with week five, of fifteen weekends, of full directional closures of eastbound SR-60 between Interstate 15 (I-15) and the 60/91/215 Junction in Riverside from Friday at 10:00 p.m. through Monday at 5:00 a.m. There are four remaining weekend closures of eastbound SR-60 followed by seven weekend closures of westbound SR-60. All lanes and ramps are closed during the directional closures. There will be no closures on Labor Day or Veteran's Day holiday weekends.

Motorists who are just passing through are advised to use State Route 91 (SR-91) and Interstate 10 (I-10) around the 60 Swarm as alternate routes to avoid delays. Local businesses are open during the project.

For the re-paving project; eastbound SR-60 nighttime lane and ramp closures will take place from Valley Way to the 60/91/215 junction in Riverside. Closures will take place August 20 to August 23, from 9:00 p.m. to 5:00 a.m. Westbound SR-60 nighttime lane and ramp closures will take place from the I-15 to Euclid Avenue.

For the bridge replacement project; August 21, eastbound SR-60 full directional freeway and ramp closures from S. Reservoir Street to Ramona Avenue, will take place from 11:00 p.m. to 4:00 a.m. August 22, westbound SR-60 full directional freeway and ramp closures from Ramona Avenue to S. Reservoir Street, will take place from 11:00 p.m. to 4:00 a.m. Please follow the posted alternate routes.

August 23, eastbound and westbound SR-60 nighttime lane closures will take place between Reservoir Street and Ramona Avenue from 11:00 p.m. to 7:00 a.m. The westbound SR-60 Ramona Avenue on-ramp will be closed from 11:00 p.m. to 5:00 a.m.

A traffic reconfiguration will occur on SR-60 west of I-15 for the duration of the project. Lanes will be available in each direction on SR-60 during the day. The speed limit will be

lowered to 55 miles per hour within the project limits. For up to date information on the 60 Swarm projects call the 60 Swarm hotline at 1-833-607-9276.

Know before you go! To stay on top of roadwork in the Inland Empire go to [Caltrans District 8](#) and sign up for commuter alerts.
