Raised Curb Median and Reconfiguration of Left Turn Pockets Project on SR-18

SAN BERNARDINO – The California Department of Transportation (Caltrans) continues the safety operation on State Route 18 (SR-18) in Victorville from Cobalt Road to the United States Highway 395 (US-395).

This week, from Tuesday, October 29 to Thursday, October 31, construction will take place from 8:00 p.m. to 5 a.m. nightly.

Normal construction days and time are Monday through Friday from 6:00 a.m. to 3:00 p.m.

Lanes will continue to be reduced from two lanes to one lane in each direction from US-395 to Cobalt Road. Speed reductions will be posted to reduce the speed limit to 10 miles per hour in the work zone. Businesses will remain open during construction.

Please expect delays during construction hours. Be advised, weather conditions may affect this operation.

Know before you go! To stay on top of roadwork in the Inland Empire go to [Caltrans District 8](#) and sign up for commuter alerts. Follow us for the latest information on [Facebook](#) and [Twitter](#). To assist in planning your commute, view live traffic conditions using [QuickMap](#) and [planned lane closures](#).

For those with sensory disabilities requiring alternate formats (i.e. Braille, large print, sign language interpreter, etc.) and those needing information in a language other than English, please contact Kimberly Cherry at 909-383-6290 or TTY 711 by October 30, 2019.
