State Route 74 Raised Curb Median Safety Project (Hemet) Construction Activities for Week of November 11, 2019

SAN BERNARDINO – The California Department of Transportation (Caltrans) continues work on a \$13.1 million safety project to construct a raised curb median with access points and left turn lanes on State Route 74 (SR-74) at various locations from just west of Acacia Avenue to Ramona Expressway.

The contractor, Autobahn Construction, Inc. from the City of Orange, finish up pouring concrete for the curb and perform various electrical work in the median area from Ramona Expressway to Dartmouth Street. The work hours will be 6:00 a.m. to 3:00 p.m., and the #1 lane and right shoulder will be closed in each direction. There will be no lane closures on November 11-12, 2019 due to Veteran's Day. The project is expected to last approximately one year.

Know before you go! To stay on top of roadwork in the Inland Empire go to [Caltrans District 8](#) and sign up for commuter alerts. Follow us for the latest information on [Facebook](#) and [Twitter](#). To assist in planning your commute, view live traffic conditions using [QuickMap](#) and [planned lane closures](#).

For those with sensory disabilities requiring alternate formats (i.e. Braille, large print, sign language interpreter, etc.) and those needing information in a language other than English, please contact Joy Schneider at 909-383-6291 or TTY 711 by November 30, 2019.
