Sheep Creek Bridge Widening Continues on State Route 2

SAN BERNARDINO – The California Department of Transportation (Caltrans) continues the Sheep Creek Widening Project on State Route 2 (SR-2) in and near the city of Wrightwood. This project will upgrade the existing bridge railing, install guardrail sidings, widen the bridge on both sides and incorporate standard shoulders.

There will be intermittent one-way traffic control from November 20 through November 22 from 6:00 a.m. to 6:00 p.m. Expect delays of up to fifteen minutes during construction hours. Be advised, weather conditions may affect this operation.

Know before you go! To stay on top of roadwork in the Inland Empire go to [Caltrans District 8](#) and sign up for commuter alerts. Follow us for the latest information on [Facebook](#) and [Twitter](#). To assist in planning your commute, view live traffic conditions using [QuickMap](#) and [planned lane closures](#).

For those with sensory disabilities requiring alternate formats (i.e. Braille, large print, sign language interpreter, etc.) and those needing information in a language other than English, please contact Kimberly Cherry at 909-383-6290 or TTY 711 by November 30, 2019.
