Press Release Number: 19-490
Project ID: 08-0Q75U and 0F030
District: 8 Riverside/San Bernardino
Contact: Kimberly.Cherry@dot.ca.gov
Phone: (909) 383-6290

Update: 60 Swarm Continues on State Route 60

SAN BERNARDINO – The California Department of Transportation (Caltrans) 60 Swarm projects continue on State Route 60 (SR-60) to repair deteriorated pavement slabs and replace the Pipeline, Monte Vista and Benson Avenue bridges. Weather permitting.

Motorists who are just passing through are advised to use State Route 91 (SR-91) and Interstate 10 (I-10) around the 60 Swarm as alternate routes to avoid delays. Local businesses are open during the project.

The Pavement Rehabilitation Project: Eastbound SR-60 nighttime lane and on/off ramp closures will take place from Valley Way to the 60/91/215 Junction in Riverside. Closures will take place December 16 to December 20 from 9:00 p.m. to 5:00 a.m. daily.

Westbound SR-60 nighttime lane and on/off ramp closures will take place from the I-15 to Euclid Avenue from 8:00 p.m. to 5:00 a.m. daily.

Eastbound on/off ramps at Rubidoux Blvd and Valley way are subject to closure.
Westbound on/off ramps from the I-15 to Euclid Avenue are subject to closure.

Bridge Replacement Project: On December 16 and December 17, the HOV lane and lane #1 will be closed, both eastbound and westbound, on SR-60 from S. Reservoir Street to Pipeline Avenue. The lane closures will take place from 10:00 p.m. to 6:00 a.m. daily.

A traffic reconfiguration will occur on SR-60 west of I-15 for the duration of the project. Lanes will be available in each direction on SR-60 during the day. The speed limit will be lowered to 55 miles per hour within the project limits. For up to date information on the 60 Swarm projects call the 60 Swarm hotline at 1-833-607-9276.
