### State Route 74 Raised Curb Median Safety Project Set to Begin After Fourth of July

SAN BERNARDINO – The California Department of Transportation (Caltrans) will begin a \$13.1 million safety project after the Fourth of July holiday to construct a raised curb median with access points and left turn lanes on State Route 74 (SR-74) at various locations from just west of Acacia Avenue to Ramona Expressway.

The contractor, Autobahn Construction, Inc from the City of Orange, will place construction area signs on Monday, July 1, 2019. On July 8, the contractor will begin potholing and identifying underground utilities at Golden Village, Gilmore Street, Lyon Avenue, Palm Avenue, State Street and Harvard Street. The work hours will be 6:00 a.m. to 3:00 p.m., and one lane will remain open in each direction. The project is expected to last approximately one year.

Know before you go! To stay on top of roadwork in the Inland Empire go to [Caltrans District 8](#) and sign up for commuter alerts. Follow us for the latest information on [Facebook](#) and [Twitter](#). To assist in planning your commute, view live traffic conditions using [QuickMap](#) and [planned lane closures](#).

For those with sensory disabilities requiring alternate formats (i.e. Braille, large print, sign language interpreter, etc.) and those needing information in a language other than English, please contact Joy Schneider at 909-383-6291 or TTY 711 by July 31, 2019.
